# CHAIRMAN'S MESSAGE (RAIPUR BRANCH CIRC OF ICAI)

Dear students,

"Be willing to be a beginner every single morning". These words by Meister Eckhart is truly a source of inspiration to begin with something new.

It's an honour for me to serve as the Chairman of Raipur Branch of ICAI for the tenure 2020-21. I, on the behalf of all the committee members assure you all a positive return for the confidence you all have reposed

on us. It gives me immense pleasure to take on my shoulders the responsibility this Chairmanship will bring to me.

We are here for students and their betterment has always been the priority . For the same, we would like to conduct various seminars, workshops and meetings on the area concerning our professional lives.

We would also try our best to organise quiz, elocution and many more which would effectively train students to work better in their lives.

Various personality development sessions would be conducted at the Branch level.

I hope that with the support of all the students, this newly formed active committee will work hard to make this year a best one .

With Warm Regards,  
CA Kishore Baradia  
Chairman

# NATCON 2019 (ELAAN)

The CA students Cultural festival ELAAN was held in Hotel Babylon capital. The Cultural festival was organized to encourage and give knowledge about the cultural and types of cultural activities to let the students know about their qualities and improve it as well.

I myself and the students as well enjoyed the programme. The events of the day-long programme included music, recitation, dance, paper presentation, speech, and chorus. Every year something new comes into the Natcon and this time it was zumba , everyone enjoyed the zumba so much.

The chief guest also delivered a valuable speech. In his speech he gave much importance to the need for arranging such a programme. He encouraged the students for their laudable performances. This was a wonderful opportunity for us to showcase our talent.

However, everybody enjoyed the cultural function and highly appreciated the organizers and also the students. The function revealed many aspects of our culture before the audience.

# CICASA OUTDOORS

CICASA Raipur conducted various outdoor games in the month of December. Many students became a part of it and showed great enthusiasm. It had games like cricket, sack race, lemon race and many more adventurous activities. Moving aside from the hectic schedules, it was a great way to take a break. It was a childish experience for everyone which took them all down the memory lanes. It proved to give the year a superb end. Winners in all the games at various levels were declared and lunch was also served. It was a mesmerizing weekend for the participants.
